DIABETIC SHOES AND INSERTS

<u>MEDICAID PAYS FOR:</u>	<u>MEDICARE PAYS FOR:</u>
2 pair of Diabetic Shoes AND 3 pair of Inserts a year!	1 pair of Diabetic Shoes AND 3 pair of Inserts a year!

TO QUALIFY YOU MUST:

1. Have Medicaid or Medicare Coverage
2. Be Diagnosed With Diabetes
3. Have **one** of the following conditions:
 - A. History of foot amputation
 - B. History of foot ulcers
 - C. History of pre-ulcer callus
 - D. Peripheral neuropathy with evidence of callus
 - E. Foot Deformity
 - F. Poor circulation

NEEDED PAPERWORK FOR FIRST VISIT:

1. Certification for Diabetic Shoes filled out completely by the physician that treats your diabetes. (this form is attached to the highlighted information sheet)
2. Medical Records from your physician that documents **one** of the following conditions:
 - A. History of foot amputation
 - B. History of foot ulcers
 - C. History of pre-ulcer callus
 - D. Peripheral neuropathy with evidence of callus
 - E. Foot Deformity
 - F. Poor circulation

On your first visit, if the proper documentation is presented, the patient will be measured for shoe size. The patient will also be able to choose the style of shoe he or she prefers. Please note that Pro-Fit will NOT order shoes until the proper documentation is received. This is to ENSURE that your insurance will pay for your diabetic shoes and inserts.
